

FOUNDATION FOR NATURAL RESOURCES
AND UNM NATURAL RESOURCES AND
ENVIRONMENTAL LAW PROGRAM PRESENT

THE EVOLVING ROLE OF TRADITIONAL EXPLORATION, PRODUCTION, AND EXTRACTION COMPANIES IN THE ENERGY TRANSITION

27 MARCH
ROOM 2401
4PM
UNM SCHOOL OF LAW

In this live video-linked panel discussion, the panel will discuss the energy transition in the United States and the role that traditional exploration, production, and extraction companies are playing in the transition. The panelists will discuss critical mineral and rare earth projects in the United States.
